**Netflix to Give
3 Films an Exclusive
Run in Theaters**

Netflix will give three films an exclusive run in theaters before making them available on its streaming service. Up until now, Netflix has steadfastly insisted on releasing films in theaters only simultaneously with their streaming premiere. Netflix's major pivot will give a handful of its most anticipated movies a stand-alone run in a relatively small number of theaters.

**VPO Soloists
Discuss Upcoming
'Messiah' Show**

By KRISTEN FIORE
Daily Sun Senior Staff Writer

When Cheryl Lugo was a child, all she wanted to do was sing. So she would stand in the auditorium of her elementary school and pretend to be Maria from "The Sound of Music."

Julie Batman had the same desire as Lugo, but she had a to work hard to move past her shyness in order to become who she is today.

Kyle Jones has a multifaceted musical career, but there's nothing like singing with an orchestra playing behind him.

And Lugo, Batman and Jones will be three of the featured soloists to do just that at 7 p.m.

on Nov. 13 during the Villages Philharmonic Orchestra's "Messiah" concert at The Sharon L. Morse Performing Arts Center.

"Messiah" is a musical holiday piece that was composed by George Frideric Handel in the 18th century.

"It was well-received then, and it hasn't lost its popularity in all that time," Jones said. "It's really found a place in the hearts and minds of concertgoers. It's sure to be a really meaningful and energetic performance."

Batman said she is from the Midwest and used to see "Messiah" every year.

"I think it's one of the prettiest pieces," she said. "It's special to me to actually be a soloist in it."

For Lugo, it is a way to celebrate scripture.

"I live my life by the word, so it's beautiful any time I get to sing scripture," Lugo said. "And it's not an interpretation of the word, it is the word."

Lugo met the VPO's founder and conductor, Pasquale Valerio, about 10 years ago but

has a history of performing in The Villages dating back to the mid '90s.

She has performed in "Messiah" before, and said performing with an orchestra is an amazing and adrenaline-filled experience.

"You are on stage with 50 or more musicians, and you're all together creating music," she said. "It's not like anything else. It's different than performing with a band. It's just such a raw and special experience."

Julia Roberts, Sissy Spacek on Co-Starring In 'Homecoming'

Julia Roberts and Sissy Spacek, two big-smiling big-screen legends, were remembering the first time they met. It was when Roberts, then 13, took a trip to New York to visit her older brother, the actor Eric Roberts, who was making 1981's "Raggedy Man" with Spacek and her husband. "I always claimed her," Spacek said in her bright Texas accent in an interview in September alongside Roberts.

Lugo also enjoys performing for Villagers, who she said are lovely and interesting. "They come from all over and they have an expectation

of a high level of skill and art," Lugo said. "They have their own orchestra in town at their finger tips, and that's truly an opportunity."

Batman's parents live in The Villages, which is how she

heard about the orchestra. "I like connecting with the audiences and trying to give them something," she said. "When I'm performing, I'm hoping that my love of music shows and that it's infectious

to them."

While Batman and Lugo both live in the Orlando area, Jones lived in Florida for many years but now lives in California.

He met Valerio there during a music festival.

"This is a little bit of a homecoming," Jones said. "I'm looking forward to reconnecting with colleagues and continuing to develop my friendship and professional relationship with Pasquale,

who is just a wonderful guy."

The interesting thing about music, Jones said, is that it's really the only art form that is left undone by the creator.

"It's like if Michelangelo gave a paintbrush to you and said, 'Here, finish the Sistine Chapel.' It's not done until you perform it," Jones said.

Tickets for "Messiah" range in price from \$25 to \$65 and are available online at thevillagesentertainment.com or at any Villages Box

Office location.

"The human condition really hasn't changed, whether it's 2018 or 1742," Jones said. "We all have the same hopes, desires and wishes, and art and music is a great vehicle for stirring that up."

¹ To qualify for this offer, you must have a new or existing Platinum Savings account and enroll the account in this offer between 10/15/2018 and 11/16/2018. This offer is subject to change at any time, without notice. This offer is available only to Platinum Savings customers in the following states: CT, FL and NY. In order to earn the Special Interest Rate of 1.69% (Special Rate), you must deposit \$25,000 in new money (from sources outside of Wells Fargo Bank, N.A., or its affiliates) to the enrolled savings account and maintain a minimum daily account balance of \$25,000 throughout the term of this offer. The corresponding Annual Percentage Yield (APY) for this offer is 1.70%. The Special Rate will be applied to the enrolled savings account for a period of 12 months, starting on the date the account is enrolled in the offer. However, for any day during that 12-month period that the daily account balance is less than the \$25,000 minimum, the Special Rate will not apply and the interest rate will revert to the standard interest rate applicable to your Platinum Savings account. As of 09/18/2018, the standard interest rate and APY for a Platinum Savings account in CT, FL and NY with an account balance of \$0.01 to \$99,999.99 is 0.03% (0.03% APY) and with an account balance of \$100,000 and above is 0.05% (0.05% APY). Each tier shown reflects the current minimum daily collected balance required to obtain the applicable APY. Interest is compounded daily and paid monthly. The amount of interest earned is based on the daily collected balances in the account. Upon the expiration of the 12-month promotional period, standard interest rates apply. Minimum to open a Platinum Savings account is \$25. A monthly service fee of \$12 applies in any month the account falls below a \$3,500 minimum daily balance. Fees may reduce earnings. Interest rates are variable and subject to change without notice. Wells Fargo may limit the amount you deposit to a Platinum Savings account to an aggregate of \$1 million. Offer not available to Private Banking, Business Banking, Wholesale or Wealth customers. ² Annual Percentage Yield (APY) is effective for accounts opened between 10/15/2018 to 11/16/2018. The 11-month New Dollar CD special requires a minimum of \$25,000 brought to Wells Fargo from sources outside of Wells Fargo Bank N.A. or its affiliates to earn the advertised APY. Public Funds and Wholesale accounts are not eligible for this offer. APY assumes interest remains on deposit until maturity. Interest is compounded daily. Payment of interest on CDs is based on term: For terms less than 12 months (365 days), interest may be paid monthly, quarterly, semi-annually, or at maturity (the end of the term). For terms of 12 months or more, interest may be paid monthly, quarterly, semi-annually, or annually. A fee for early withdrawal will be imposed and could reduce earnings on this account. Special Rates are applicable to the initial term of the CD only. At maturity, the special rate CD will automatically renew for a term of 6 months, at the interest rate and APY in effect for CDs on renewal date not subject to a Special Rate, unless the Bank has notified you otherwise. APY shown offered at Wells Fargo Bank locations in CT, FL, NY and WA. Due to the new money requirement, accounts may only be opened at your local branch. Wells Fargo reserves the right to modify or discontinue the offer at any time without notice. Offer cannot be: Combined with any other consumer deposit offer, or reproduced, purchased, sold, transferred or traded. Minimum new money deposit requirement of at least \$25,000 is for this offer **only** and cannot be transferred to another account to qualify for any other consumer deposit offer. If you wish to take advantage of another consumer deposit offer requiring a minimum new money deposit, you will be required to do so with another new money deposit as stated in the offer requirements and qualifications. ³ The Portfolio by Wells Fargo program has a \$30 monthly service fee, which can be avoided when you have one of the following qualifying balances: \$25,000 or more in qualifying linked bank deposit accounts (checking, savings, CDs, FDIC-insured IRAs) or \$50,000 or more in any combination of qualifying linked banking, brokerage (available through Wells Fargo Advisors, LLC) and credit balances (including 10% of mortgage balances, certain mortgages not eligible). If the Portfolio by Wells Fargo relationship is terminated, the bonus interest rate on all eligible savings accounts, and discounts or fee waivers on other products and services, will discontinue and revert to the Bank's then-current applicable rate or fee. For bonus interest rates on time accounts, this change will occur upon renewal. If the Portfolio by Wells Fargo relationship is terminated, the remaining unlinked Wells Fargo Portfolio Checking or Wells Fargo Prime Checking account will be converted to another checking product or closed.
