It has been a week full of pixie dust and pirate hats at the Sharon L. Morse Performing Arts Center. And learning — a lot of learning. Compass Creative Dramatics, a Chicago-based theater education company, has taken up a week-long residency at The Sharon to put on a theater camp for more than 70 incoming first- through

eighth-graders.

This week, the students have been learning the lines, choreography and songs in Compass' adaptation of "Peter Pan." The students will perform the show at 5 p.m. Friday and Saturday at The Sharon.

Peyton Lackey, a 9-year-old from Lady Lake, will play the Lost Boy named Nibs. She said she attended the theater camp last year as well and it was a lot of fun.
